

# Agent joins Keller Williams Realty at its Camarillo office

Keller Williams Realty recently welcomed Carl Cole, Broker/Associate, to the Camarillo sales team.

Cole has a bachelor's in education and a master's degree in school administration. He has been licensed since 1991 and received his broker's license in 2003.

His professional designations include Graduate Realtor Institute (GRI), Graduate Realtor Institute Masters (Masters), E-Pro Designation and Certified Residential Specialist (CRS).

In addition, Cole recently received his EcoBroker designation.

The EcoBroker designation is a unique program on the energy and environmental issues that effect real estate transactions.

"My mission is to provide real estate clients the direction needed to make pragmatic and informed decisions that will enhance the value of the lives their families, their communities, and the environment, thus enabling them to make economic, energy-saving, and environmentally sustainable choices," Cole said.

He enjoys spending time with his wife, two sons and wonderful grandson.

As a cancer survivor, he is passionate about charity work and spends a great deal of time helping various local charities.

Cole can be reached at 248-3491 or by e-mail at [ccole@pointswestgroup.com](mailto:ccole@pointswestgroup.com).
